**How to get to IESE**

IESE's Barcelona campus is located in the wooded hillside of the Pedralbes neighborhood, just 20 minutes from downtown and from the airport. Getting to IESE using public transportation is fast and convenient. The city has multiple public transportation options that serve the Pedralbes area including the FGC (Train: Ferrocarriles de la Generalitat), six different bus lines, metro and taxi.

**By FGC (train):** L6 line to Reina Elisenda (15 Min walk to campus)

**By Bus:** V5 - Pedralbes (get off at Av. Pearson-Plaça Joan d'Alòs); 68 - Cornellà (get off at Av. Esplugues-Av.Pearson); H4 - Zona Universitaria (get off at Av. Esplugues-Av.Pearson); 63 - Sant Joan Despí (get off at Av. Esplugues-Av. Pearson)

The App is free and available in English for Android and iOS. Alternatively, google maps is very reliable for public transport in Barcelona.

**By Taxi:**

Travel time to Barcelona airport from IESE is approximately 20-30 minutes and costs around 25/30€. We will be able to book taxis from the campus, or many applications are available such as Cabify, My Taxi, Bolt and Uber.

**Airport**

We recommend booking flights arriving at Barcelona El Prat, the main airport of Catalonia – an alternative airport is located in Girona, at a distance of 100 kilometers northeast of Barcelona.

If you need to withdraw money, there is an ATM at the South Campus (5 mins walk from North Campus).
